

# CampusMate

## For Teachers

Easily send notices and attachments to the **entire college**, or send **targetted notices** to specific departments, years, or even divisions!

**Push notifications** ensure that all your recipients receive and read your notice.

Post about **Placement Drives, Events, Workshops, Seminars, Internships** and all other college activities from the **activities section**.

Make registration easy with **One-Click registrations** for all events, right from the app!

Easily mark attendance for the day using the attendance portal. Subject-wise attendance is **updated daily** on the student app.

## For Students

**Never miss** another important notice! Find all college related notices in one place. Read notices sent to your class, year or department. **Get notified** whenever a new notice is posted.

Always **stay up-to-date**. Never miss out on an **opportunity** just because it got lost in a WhatsApp thread! Find all events, placement drives, internships, workshops seminars and webinars scheduled for you in the **activities section**. Easily register for activities. No more signing on paper sheets!

Get **daily attendance** updates shown to you in a **graphical format**, in the 'Your Dashbaord' section.
